Scent Emotions
FRAGRANCES FOR A BETTER LIFE

VERTICAL OVERVIEW

E-Commerce

A SCENTED UNBOXING EXPERIENCE THAT BUILDS STRONGER BRANDS

Transform every shipment into a memorable sensory experience. Our solid fragrance solutions are designed for e-commerce, adding an emotional touch to your packaging from the very first moment.

WHY SCENTED PACKAGING?

IMMEDIATE IMPACT
The selected fragrance is perceived as soon as the package is opened.

COMPACT AND DISCREET
Small size, easy to integrate, with no impact on shipping costs.

CONTROLLED FRAGRANCE RELEASE
Continuously diffuses the scent during storage and transport.

SAFE AND CLEAN
No free liquid. Leaves no stains on products or packaging.

CUSTOMIZABLE
Available in different fragrances and colours, with the option to incorporate your logo.
